#### Notes:

- The actual GPS-measured distance for the 100 Kilometre event is 103.7 Kilometres and for the 100 Mile event it is 107.5 Miles.

- Runners who entered the 100 Mile event had the option of finishing at (or after) 100 Kilometres and being included in the Official 100 Kilometre event results. The runners in this latter category have a star instead of a placing. Runners who completed the 100 Mile event outside of the 36 Hour Cut-Off also have a star instead of a placing.

\* Time reduced by 22 minutes to take account of time lost assisting another runner.
